

The XLH Network is looking for you! We are trying to fill two positions, one paid and one (hopefully) volunteer. Please feel free to forward this post to anyone you think might be interested:

1) The XLH Network, Inc. is looking for a person to do website updates and maintenance on an hourly contract basis. The expected time commitment is several hours a week.

The following qualifications are highly desired.

- Familiar with the Concrete5 Content Management System (CMS)
- Familiar with Cpanel for website administration such as backups, security certificates, domain maintenance
- Knowledge of databases is helpful

The qualified individual has excellent written and verbal communication skills, is detailed oriented, and responsive. Social Media content creator experience helpful. If interested, please send an email, with qualifications, to [executivedirector@xlhnetwork.org](mailto:executivedirector@xlhnetwork.org)

2) We are also looking for a CPA to work on an as-needed basis, a few hours a month. Familiarity with non-profit accounting is necessary, and someone willing to volunteer would be fantastic! If interested, send email with qualifications to [executivedirector@xlhnetwork.org](mailto:executivedirector@xlhnetwork.org)
